Information On Purchases and Cash Advances: If the New Balance is a credit balance, it will be applied to future amounts you owe us or refunded to you within 7 days after receipt of your written request for a refund. Send your refund requests to the address for receiving inquiries about your Account appearing below. If a credit balance persists, we will mail a check to you for the amount of the credit balance within the time frame required by law. If we are unable to locate you, any credit balance in your Account will be escheated pursuant to applicable law.

How Interest Is Calculated: We use the Average Daily Balance method (including new transactions) to calculate interest on your Account. The Average Daily Balance for Purchases and Cash Advances are calculated separately. To calculate the Average Daily Balances, we start with the beginning balance for each day in the Billing Cycle. For Purchases, the beginning balance includes billed but unpaid interest on Purchases, Annual Fees (including Additional Card Fees), Late Payment Fees, Returned Item Fees, Over the Limit Fees, Copying Charges, Currency Conversion Charges related to Purchases, Phone Payment Fees, Replacement Card Fees, the Account Set-up Fee and Fees for Other Services. For Cash Advances, the beginning balance includes billed but unpaid interest on Cash Advances, Cash Advance Transaction Fees and Currency Conversion Charges related to Cash Advances. We then add any new charges and subtract any payments or credits. This gives us the daily balance for each day, except that if the daily balance is negative, we treat it as zero. We then add up all of the daily balances for each balance and divide by the number of days in the Billing Cycle. This gives us the Average Daily Balance for each balance. The Interest charged for each balance equals the Average Daily Balance for that balance times the applicable Daily Periodic Rate (DPR) times the number of days in the Billing Cycle. The results are then added together to determine the total interest charge for the Billing Cycle. To the extent interest comprises any part of your Average Daily Balance, compounding of interest will occur.

Charges are added as of the date of the transaction. If a transaction occurs in one Billing Cycle but is not posted to your Account until the next Billing Cycle, the transaction is added or subtracted on the first day of the Billing Cycle in which the transaction is posted to your Account. If the DPR for Purchases or Cash Advances changes during a Billing Cycle, the new DPR will take effect as of the first day of the Billing Cycle.

You may contact Customer Service at 1-800-253-2322 to obtain further information on calculations of Balance Subject to Interest Rate.

State Disclosures: If you have a Past Due Amount on your statement, you reside in a state which requires this notice, and you are not currently subject to an automatic stay in a bankruptcy proceeding, this statement is an attempt to collect a debt and any information obtained will be used for that purpose.

Payments: You must make the required Minimum Payment Due on your Account by the Payment Due Date to avoid delinquency. YOU MAY PAY YOUR TOTAL INDEBTEDNESS AT ANY TIME.

Payments should be sent to the address on the front of the statement and include the top portion of your statement. All payments must be made in U.S. Dollars with a check, draft or money order drawn on a U.S. bank or the U.S. Postal Service, or through an automated clearing house acceptable to us in our sole discretion. Please do not send cash. Payments received with the payment coupon and received from the postal or other delivery service by 5:00 p.m. local time at the payment address indicated on the most recent Billing Statement will be posted to your Account as of that date. If you send payments to any other address or fail to include the payment coupon, the payment may be lost or there may be a delay in posting the payment. Either event could result in a Late Payment Fee and/or additional interest charges. If you do not know where to send your payment or if you wish to confirm that a payment has been received, please call us at:

1-800-253-2322 or go to www.merrickbank.com.

Notice to Customers Making Payment by Check: When you provide a check as payment, you authorize us to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

Paying Interest: Your Payment Due Date is at least 25 days after the close of each Billing Cycle. We will not charge you any interest on Purchases if you pay your entire balance by the Payment Due Date each month. We will begin charging interest on Cash Advances on the transaction date.

Trailing Interest: If you carry a balance from month-to-month you may see interest charged on your next statement even if you pay the New Balance in full, on time, and make no new charges. This interest is called "trailing interest." Trailing interest is the interest charged on your balance from your last statement date to the date you paid in full.

Annual Fees: If your Account has an Annual Fee, you agree to pay the Annual Fee for each year the Account is open and for each year in which there is an outstanding balance on the Account. Annual Fees are payable whether or not you use your Card, and do not assure you are in good standing on your Account. If you obtain an Additional Card, you agree to pay an Additional Card Fee for each year the Account is open.

Annual Fee Billed Monthly: If your Account has an Annual Fee and/or an Additional Card Fee that is billed monthly, one twelfth of the Annual Fee/Additional Card Fee will be billed each month (as shown on the front of this statement). If you do not wish to pay future monthly portions of the Annual Fee, you must pay off the New Balance by the Payment Due Date shown on the front of this statement and any other charges appearing on your Account since the date of your Billing Statement, in full and close your Account (by calling us at 1-800-253-2322). Any fees already billed cannot be avoided. Any use of your Account after you close your Account or your failure to pay off your Account in full by such date will indicate your intent to keep your Account (and pay the monthly portion of the Annual Fee).

Minimum Interest Charge: In any Billing Cycle in which your Account has a balance, you were not charged a Cash Advance Transaction Fee and the total interest charged for the Billing Cycle would otherwise be less than \$1.00, a Minimum Interest Charge of \$1.00 may be charged to your Account.

Annual Percentage Rate ("APR"): If your Account has a variable rate, your APR for Purchases and your APR for Cash Advances are determined by adding a margin to the index. The index is the Prime Rate published on the last business day of each month in *The Wall Street Journal* (or comparable publication if the Wall Street Journal ceases publication). Any changes in your APRs resulting from a change in the index during a Billing Cycle will take effect as of the first day of the Billing Cycle. An increase in the Prime Rate may result in an increase in the amount of interest charged, the Minimum Payment or both. If the index increases, your APR will increase accordingly, with no cap.

Foreign Currency Transaction Fee: For each Purchase or Cash Advance made in a foreign currency, we may add a Foreign Currency Transaction Fee of 2% of the amount of the Purchase or Cash Advance after its conversion into U.S. Dollars.

Transaction Fee for Cash Advances: There may be a transaction fee for each Cash Advance transaction in the amount stated in your Pricing Appendix.

Error Resolution Notice:

What To Do If You Think You Find A Mistake On Your Statement: If you think there is an error on your statement, write to us at: Merrick Bank, P.O. Box 9201, Old Bethpage, NY 11804. In your letter, give us the following information:

- **Account information:** Your name and Account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases:

If you are dissatisfied with the goods or services that you have Purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the Purchase.

To use this right, all of the following must be true:

1. The Purchase must have been made in your home state or within 100 miles of your current mailing address, and the Purchase price must have been more than \$50. (Note: Neither of these are necessary if your Purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the Purchase. Purchases made with Cash Advances from an ATM or with a check that accesses your credit card Account do not qualify.
3. You must not yet have fully paid for the Purchase.

If all of the criteria above are met and you are still dissatisfied with the Purchase, contact us in writing at: **Merrick Bank, P.O. Box 9201, Old Bethpage, NY 11804.**

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
